PROFILE INFO

Hi, I'm Ravi Bhaskar, a passionate and detail-driven graphic designer with over 8 years of experience in building visual identities that speak. As the founder of GraphicArc, I specialize in creating logo designs and complete branding solutions for businesses across the Globe. My focus is always on combining professionalism, creativity, and pixel-perfect design to help brands make a powerful first impression. Whether you're a startup or an established company, I'm here to bring your vision to life with designs that are not only beautiful but also effective. Effective Design must do more than look good it must work. Our solutions are crafted to be effective, helping your brand achieve visibility, engagement, and lasting impact in today's fast-moving market.
